Day 03 - Buenos Aires

Breakfast. Departure from the hotel northwards, passing by the residential neighbourhoods and the President's Residence in Olivos. Leaving the city of Buenos Aires, your next destination will be the San Isidro district, an elegant residential area. You will visit the imposing Neo-gothic Cathedral, placed in the historic center of the city, which is surrounded by some Colonial and Italian style houses, cobbled streets and its square with centenary trees. The visit continues towards Tigre, a lovely neighbourhood situated in the delta of Parana River. A sail along the Delta will allow you to admire the old residences making contrast with the wooden

houses built over piles, to beat the constant floods; you will also see some yacht and rowing clubs and get to know the typical features of a community that lives in close fellowship with the river.

Return to the hotel and rest of the day at leisure.

Day 04 - Buenos Aires

Breakfast. Morning at leisure. Afternoon, please join us for a tango lesson at Dandi Tango Academy (1 ½ hour) with transfers included. Rest of the day at leisure.

Day 05 - Buenos Aires

Full day Fiesta Gaucha at Estancia Santa Susana w/barbecue lunch.

Upon arrival a welcome drink with 'empanadas' (meat pastries) will be served at the 'pulpería'. Later, you will taste a typical Argentine barbecue (grilled beef, chicken, pork sausages, salads, dessert and coffee) at the dinning-room. As lunch is finished you will enjoy a folklore show with live music and dancing and a tango demonstration, followed by 'cuadreras' and ring races where gauchos show their skills as riders. For those willing to participate in the traditional activities there are horses and 'sulkies' (kind of two-wheeled chart) to go around in the ranch.

Later on, a snack consisting in home-made pastries and 'mate' (typical green tea) will be served. Return to the hotel.
